

BEYOND HOUSING

How can we help?

BEYOND
HOUSING

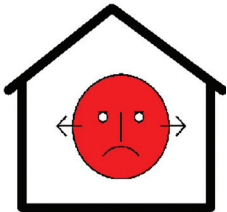

BeyondHousing can help

- when you have nowhere to live

or

- you can **not** live where you are now

or

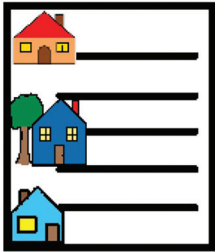

- you have nowhere to sleep tonight.

**You can not stay
where you are**

We can help you

- find a house to rent
- keep you in the house
you rent
- look for a place to stay for
some time

- pay your rent
- get food.

Who can get
this help?

You only have a little bit
of money.

And

You are on CentreLink.

To get help you need to tell us

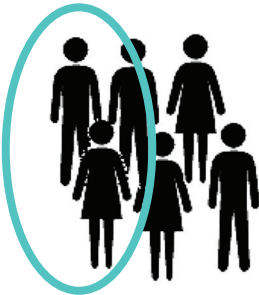

- what money you have

- what else you own. Like,
 - another house
 - a car.

But

Only **some** people will get help.

You rent a private house.

But there is a problem.

We can help you

- when you get behind in your rent.
- know what to do to look after your home.

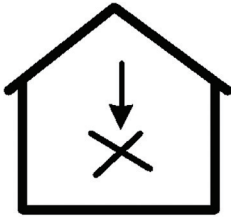

We can help you

- talk to the real estate person
- help you sort out a problem
- go to VCAT.

This is also called the Victorian
Civil and Administrative Tribunal.

You are in public housing.

We can help you to stay in your home.

You can be in

- Public Housing

or

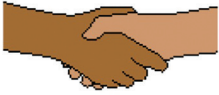

- Community Housing

or

- Aboriginal Housing Victoria.

This is also called AHV.

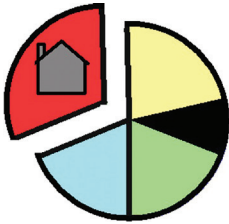

How can we help you?

We can help you

- understand your rights
- plan the use of your money.

Like, you make sure you have your rent money each month

or

- ask for things to be fixed in your home.

Like, the toilet is not working

- talk about other services you need.
- go to VCAT.

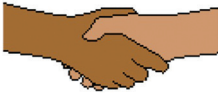

This is also called the Victorian Civil and Administrative Tribunal.

Community Houses

BEYOND
HOUSING

We own some community houses.

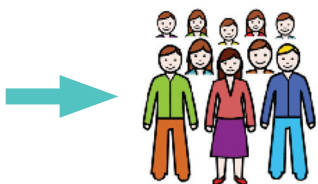

We can help you to ask to live in 1 of our houses.

This is called an application.

Do you want to live in a public house?

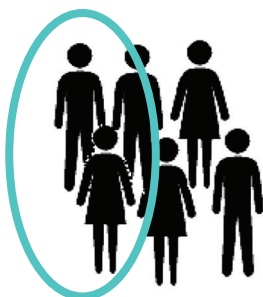

Ask out staff for help.

It does **not** cost a lot of money to live in these houses.

But

Only **some** people will get help

You must be on CentreLink to get 1 of these houses.
